

CORRECTIVE FACIAL TREATMENTS

The secret to fresh, flawless skin begins with a fabulous facial! At Glow Esthetics, we take the traditional facial one step further. We are trained in the very latest techniques and utilize the most advanced skincare on the market. We are proud to combine unparalleled nurturing with cutting-edge skincare science to deliver glowing skin.

The Imperial Glow facial \$150

Indulge yourself in this luxurious treatment utilizing the latest technology in visible anti-aging results. Your skin will be smoothed with an enzyme exfoliant, purified by deep cleansing, firmed and toned by a specialty mask and your tensions will be melted away by a blissful face, neck and shoulder massage. You will leave feeling softened and indulged with a radiant and more youthful glow.

The Glow Spa Therapy facial \$100

An introductory facial with immediate results for a refreshed complexion. This treatment includes deep cleansing, exfoliation, and complete balancing to any skin type utilizing the finest active botanical ingredients.

Purifying acne facial \$130

This treatment is the answer for clogged, congested, and acne prone skin. Focusing on cleansing pores with enzyme exfoliation and gentle pore extraction, concluding with a specialized, calming soothing mask to help reduce future breakouts, control oil production, and heal the skin.

ADD ON TREATMENTS

Youthful Lip \$25

An anti-aging repair treatment to smooth fine lines away. Leaves lips moist, plump, and kissably smooth.

Youthful Eye \$25

Puffiness and wrinkles diminish as pure collagen concentrate and a cooling, soothing Ginkgo biloba mask leave the delicate skin of the eyes toned, firmed, and smoothed.

Décolleté Treatment \$50

Focusing on the delicate neck and chest, this treatment consists of an aromatic thermal lift off mask that provides dynamic results! Intensive firming, hydrating and repair of sun damaged or dehydrated skin. A perfect finish for special occasions!

CORRECTIVE PEELS

These botanically based non-traumatic peels deliver the most dramatic results with the least irritation. All corrective peels include a skin and health evaluation and pre and post peel care instruction.

Timeless peel \$300

This is the ultimate in dramatically reducing the signs of aging! This deep peel stimulates the growth of new skin cells, increases cell turnover, retexturizes and smoothes skin surface and increases skins moisture content. Amazing results for melasma, premature aging, hyperpigmentation, sun damage and dilated pores. One peel is comparable to 6 microdermabrasion treatments (without the gritty residue)!

♦ *Must prep skin 10-14 days before treatment.*

Deep Sea peel \$250

This all natural herbal peel relies on the healing powers of the ocean to generate collagen and elastin and rebuild the structure of the skin. You will feel the stimulating action of this unique non-acid peel for up to 24 hours after application, but the remodeling goes on for days.

♦ *Must prep skin 10-14 days before treatment.*
